

WHO ARE WE?

Paddy Martin is a Child and Family Psychotherapist who works for Monmouthshire Flying Start supporting families.

Nicole Webber is the Project Co-ordinator for Monmouthshire Parent Network who supports parents across Monmouthshire in various capacities.

WHAT NOW?

There is no need to be referred, you can just come along. Or if you prefer, you can contact Paddy or Nicole to find out more about it and decide whether this is for you. Sometimes parents can feel awkward or nervous about coming to a group for the first time but we are here to help.
