

Neurological Conditions - Information & Advice Drop-In

Friday March 13th 2015 from 11am - 4pm

The Monty Club, 11 Broad Street, Newtown, SY16 2LU

Do you, or someone you care for, have a neurological condition, or have symptoms like these?

Fatigue, pain, weakness, tremor, muscle stiffness, poor co-ordination, stumbling, foggy brain, headaches, poor memory, impaired taste, smell & touch, sensitivity to sound & light...

Come along and chat with those who can help:

- Therapists from Powys teaching Health Board
- Advice & Advocacy Services
- Charities & Support Groups

Free Refreshments
Close to bus station & Back Lane Car Park

Do you need more help:

- Coping with your symptoms
- Managing in your home
- Claiming benefits
- Supporting your carer
- Making a complaint

To find out more about the event, get help with transport or carer respite so that you can come along, or if you can't make it but want more help, please contact:
