

Cynghrair Niwrolegol Cymru
Wales Neurological Alliance

Supporting people living with a neurological condition to use technology during the COVID 19 pandemic

In partnership with Digital Communities Wales we welcome you to a training session to help people living with a neurological condition to use digital technology. The session overall will run for about 2 hours, within that time you will be placed into a room with other members of the Wales Neurological Alliance and we will have a look at the below five subjects:

- Keeping in touch
- Keeping occupied
- Accessibility
- Wellbeing
- Digital storytelling

Join us on the 7th December at 2-4pm
